The "Universe" Collection

An infinite universe, eternal gold and diamonds, an eternal universe designed with these precious materials.

October 2010

Jewellery inspired by the **universe**: vortexes, shining **stars**, **planetary** alignments, and even extra-terrestrial spaceships if you believe in them...

“Universe” is a collection of **gold and diamond** jewellery from outer space on a never-ending voyage across a **precious** and **beautiful** infinity.

The collection:

Other Worlds Ring

Diamond Spaceship Ring

Trinidad Trilogy

Sounds from Space Ring

Solar System Ring
